			Thursday	Friday

- Childcare is for children ages 5 and under.
- Childcare is available for **full days only**. You may sign up for just one day or both. You must drop-off by 8:30 am and pick-up at 4:45 pm.
- Parents are responsible for picking up their child at lunch, and providing lunch and snacks (at designated snack times, we will have snacks available outside the childcare area). Juice and sugar free drinks will be available onsite. Buffet breakfast and lunch for the family is included in family registration.
- By July 1, 2017, parents will need to fill out a scheduling form (which will be available online) letting us know which sessions they plan to attend in case there is an emergency. Without the completed scheduling form, children will not be permitted into childcare. Please note -- parents must stay on site (the conference center grounds) while their child is in childcare.
- **Medical information sheets also will be due by June 1, 2017.** These only need to be submitted for children with diabetes or another medical condition of which we need to be aware. No child with type 1 diabetes will be allowed to participate in childcare unless a medical information sheet is turned in. We recommend that you complete these in late May so that we are as up-to-date as possible with your child's medical regimen.

Waiver (you must sign):

I expressly agree and promise to accept and assume all of the risks existing in this event (my child participating in childcare at this conference). I hereby voluntarily release, forever discharge, and agree to hold harmless and indemnify Children with Diabetes from any and all liability, claims, demands, actions or rights of action which are related to, arise out of, or are in any way connected with my child's participation in childcare at this conference.
